ONE DAY

God’s Great Story of Redemption

This musical was written for one purpose: to share the greatest story ever told. It begins with the dawn of creation, and includes Judah’s retelling of mankind’s sin and fall, Isaiah foretelling Jesus in the Old Testament, the 400 years of silence when God chose not to speak and the weight of that sacred moment when God finally broke the silence and spoke again through a baby’s first cry. We see His impact on a wise man, a shepherd, Anna and Simeon. We encounter the innocent Child Jesus and the anguish of His mother, Mary, His ministry as an adult to the children, and the way He ministered to the everyday people who first loved and then rejected Him. The Apostle John recollects Jesus’ agonizing journey to the cross, His glorious resurrection and the greatest event that all who have put their faith in Jesus look forward to - the ONE DAY when Jesus will come again to lead His children to everlasting life with Him in glory.
